A great wee trial, even in the wind and occasional rain !! Good, challenging Burns with plenty of slip! Well done to all the riders who took part, especially the young B Youth riders who stuck with it for 2 out of the 3 laps and seemed to enjoy! Thanks to the landowner for the use of such scenic ground with good opportunities for a variety of sections. Thanks to Clerk of the Course, Dougie Paton and Patrick Palmer for setting out the Trial and all those who helped.

See you all on July 23rd for the Evening Trial, which this year is at Glasscorrie 😊
